Dear Colleagues

It is a pleasure for me to invite you to the 23rd International Congress of the Israel society of Anesthesiologists (ICISA 2014). This congress is intended for anesthesiologists, critical care physicians as well as pain specialists.

The meeting will be held in one of the top travel destinations in the world – Tel Aviv. Its theme, **Teamwork Outcome Prospect Safety – TOPS**, offers a glimpse of what's to come. The meeting will provide the framework for attendees to participate in thought-provoking discussions with acclaimed experts from around the world in perioperative medicine, emergency medicine, critical care and pain.

Prof. D Sessler, Prof. L Gattinoni, Prof. G Hedenstierna, Prof. D Filipescu, Prof. C Spies, Prof. M Singer, Prof. D Reich, Prof. S Aronson, Prof. J Cottrell, Prof. J Lerman, Prof. S Bubenek, Prof. D Sandesc and many other top rated speakers will join our meeting to bring the latest development in perioperative medicine.

Being held at the luxurious **Hilton Tel Aviv, September 16-18, 2014**, this meeting offers something for everyone including world-class cuisine, remarkable nightlife, outstanding shopping, beautiful beaches and a spring-like climate that makes a multitude of outdoor events and activities available. Please join us for an exciting time in an unforgettable location.

We would be grateful if you share this information with the president of your society and as many members as possible.

I am looking forward to meeting you all in Tel Aviv, September 2014!

Cordially,

Prof. Idit Matot

President, 23rd International Meeting of the Israel Society of Anesthesiologists

Chair, Israel Society of Anesthesiologists

Benjamin Drenger
